Dear Sir/Madam;

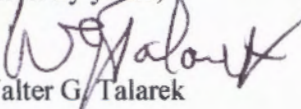

I hereby request, under the Freedom of Information Act (5 USC § 552) and EPA's regulations promulgated thereunder (40 CFR Part 2), a list of all the EPA-registered pesticide production establishments in the countries of Ukraine, Canada and Mexico. Please include in your response for each establishment (1) the name of the establishment, (2) the name of the company owning the establishment, (3) the establishment's address and (4) the EPA establishment number.

The above records are maintained by EPA's Office of Enforcement and Compliance Assurance ("OECA"). Ms. Michelle Stevenson of the Pesticides, Waste & Toxics Branch (2227A) of OECA might be able to assist you in locating these records.

I am willing to pay the reasonable costs of searching for and reproducing these records in accordance with the schedule prescribed by the above-referenced regulations. I hereby authorize the payment of up to \$150 for this search.

Please feel free to contact me if you have any questions about this request.

Sincerely yours,

  
Walter G. Talarek
